### Supply list for students to bring:

**Small supports:** 4-6 MDF (Medium Density Fiberboard) boards, **OR** wood panels **OR** canvas boards in sizes 6x6, 6x8, or 8x8 inches

**Medium supports:** 2-4 MDF boards, wood panels **OR** canvas boards **OR** stretched canvas 8x10, 10x10, or 6x12.

\*\*\*\*\*PLEASE observe size limitations for supports you bring.\*\*\*\*\*

Students who are fast workers, should bring additional supports.

All raw wood supports should be primed with gesso before class.

**10 plastic foam plates** - Hefty Super Weight brand foam plates works best

Aerosol can of men's **shaving cream** (not gel)

**Plastic sheet protectors** - about , size 8.5x11 inches - available at Office Max, Walmart, etc.

**Paints** - Golden Fluid Acrylics are best. Tube acrylics OK, but fluid acrylics work better for this type of work. Carol's favorite colors are on her website. Carol's BIG THREE are Golden's Quinacridone Nickel Azo Gold, Turquoise (Phthalo), and Quinacridone Magenta, plus carbon black and titanium white. You can mix a LOT of fabulous colors with just those three.

**Brushes:** synthetic brushes suitable for w/c and acrylic, short handle. Carol uses mostly 3/4 or 1 inch flat, #8 round, and a tiny liner brush

**Gel medium** - Carol uses Golden "regular" or "soft" gel medium gloss

**Polymer medium gloss** or Liquitex pouring medium or self leveling clear gel

**Modeling paste OR Wall patching material** (Custom Patch, Patch'n Paint, Flex 'n Fill, etc) - at most Home Depots in the paint department.

**YES paste** (available at Michaels)

**Tulip "PUFFY" Dimensional Fabric paint** in black or white (available at Michaels)

**Reynolds Extra Heavy Duty Foil** - restaurant grade if possible

4-5 sheets **watercolor paper** - 9x12 inch, 140 lb, Artist's Loft pads are perfect - from Michaels

**Spray water bottle, paper towels, water container, palette, scissors, ruler or T square, palette knife.**

**Optional:** spray alcohol bottle, exacto knife, any collage ephemera you may have.
